Dear Nancy:

As part of the California Committee for National Coin Week I have sent out letters encouraging them to participate by putting displays in their local banks, libraries, schools, etc. Perhaps to hold a quiz at their meeting, etc.

I would like the ANA to forward them the promotional packet containing the guidelines, posters and report forms, etc. I have listed the clubs on the attached sheet of paper.

Looking forward to seeing you at the CSNA convention in San Francisco in April.

Sincerely,

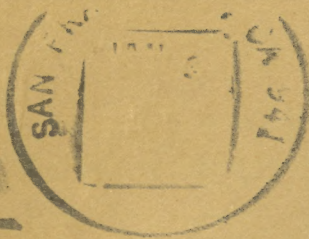

*Virginia*

# NATIONAL COIN WEEK

Sponsored by the American Numismatic Association

Dear Club President:

National Coin Week '86, established by the American Numismatic Association, is scheduled for the week of April 20-26, 1986. This is a time for your club to help promote our hobby of collecting coins, medals, tokens and paper currency and to encourage collectors of your area to join and attend coin clubs and other numismatic organizations.

The theme for 1986 is "Coin Collecting--Family Fun." Encourage your members to share their enthusiasm for our hobby with a family member. Invite a parent or child, sister or brother to attend your next coin club meeting or show--perhaps they will find something that sparks their interest. The enjoyment of our hobby provides a great pastime, while at the same time, strengthens family ties.

I urge your club to participate in National Coin Week. Form a National Coin Week committee to plan the activities of your club in your community. Your club may wish to conduct an educational program or place an exhibit or display. Contact your local city management to obtain a national coin week proclamation. Publicity is the key to National Coin Week success.

I have requested that ANA send your club a National Coin Week promotional pocket. You should be receiving this material in the near future. This pocket will contain guidelines, report forms, sample proclamations, two posters, five booster buttons and ten NCW logos. ANA literature is enclosed in all pockets. Additional booster buttons may be purchased for 10¢ each. Requests for additional NCW materials should be addressed to National Coin Week 1986, 818 North Cascade Avenue, Colorado Springs, CO 80903-3279.

The future of the hobby is in our local hands. A strong Coin Week program will most certainly boost your club's growth. Let's rekindle the interest in our hobby!

Thank you for your consideration.

Sincerely,

*Don Shattuc*

## NCNA ANNOUNCES NATIONAL COIN WEEK ENTICEMENT PROGRAM

A unique opportunity exists this year for northern California coin clubs to promote the 1986 National Coin Week this April 20-26 and to be rewarded for their club's efforts.

Any northern California coin club which is both, or joins, as a club member of the American Numismatic Association (ANA) and the Northern California Numismatic Association (NCNA) that develops and implements an attractive public display which publicizes this year's National Coin Week and the numismatic hobby, upon satisfactory proof submitted, will receive a \$100.00 cash grant from NCNA.

Coin clubs in the northern California region are encouraged to develop displays and seek public areas, as bank lobbies, libraries, city halls, recreation centers, and such, to exhibit a numismatic display during the April 20-26 National Coin Week. There are no guidelines to the display, but coin clubs are advised that displays must be located prominently in public areas.

Coin clubs may choose other methods, as speakers before local groups, news articles in local press, or programs in schools, to promote the 1986 National Coin Week.

The only requirements are that the undertaking, whether a public display or other method, be done during National Coin Week, April 20-26, and that coin clubs be both ANA and NCNA Club members. Also, although not a specific requirement, coin clubs participating are asked to apply in advance, sending club details and a brief review of what their club intends to do. Deadline for applying is April 1st.

To be awarded the cash grant, a short written report with adequate proof is required. This final report, with supporting documentation, is to be sent in upon completion of the coin club's National Coin Week activities and is due by May 12th. There are no stipulations as to what a coin club does with its grant.

The restrictions are that this Program is limited solely to northern California coin clubs and that coin club activities, public displays, speakers, or such, must not take place at coin-related events or sites, as club meetings and shows, or at a coin dealer's coin shop.

Northern California coin clubs interested in this Enticement Program are welcomed to contact: "Dan Shattuc, NCNA Enticement Program, P.O. Box 70866, Sunnyvale, California, 94086," and to apply and to receive additional information both on this Program and the National Coin Week.

Dear Nancy,

Enclosed is a pocket of my  
1st Mailing sent to over 115  
Coin Clubs in California was  
sent out tonight 1/31/26.

The NCNA Enticement Program  
info was sent to 45 of the Clubs  
mentioned above.

I called Frank Annunzio's office  
and was disappointed to learn that  
Frank Annunzio does not plan to  
introduce a new Proclamation.  
I realize he can not contact the necessary  
218 members of Congress to pass the  
Bill. I do believe that the  
Coin Collectors must be moved to

Contact their local congressman. We in California will do so. I Believe that 1986 is an ideal year for such a proclamation because of the Statue of Liberty Coin Program. This can be ~~sent~~ moved thru publication of some in the Numismatist, letters of the Editors ect.

I look forward to receiving NCW  
Pocket for Cupertino Coin Show  
Feb 22nd + 23rd.

See you in San Francisco,

Dan Shattuck

The restrictions are that this Program is limited solely to northern California coin clubs and that coin club activities, public displays, speakers, or such, must not take place at coin-related events or sites, as club meetings and shows.

Northern California coin clubs interested in this Enticement Program are welcomed to contact: "Dan Shattuc, NCNA Enticement Program, PO Box 70866, Sunnyvale, California, 94086", to apply and to receive additional information both on this Program and the National Coin Week.

"NCNA developed and is funding this Enticement Program to encourage, but more importantly to reward, local coin clubs what make a dedicated effort to promote our hobby. It is part of NCNA's continuing effort to assist the hobby in northern California area", reports Dan Shattuc, Chairman National Coin Week California Committee.

"It is not just throwing money out-of-the-window, rather it is endeavor to get local coin clubs active in their own communities to do something this April 21-16 for National Coin Week", he continues.

"What is required of northern California coin clubs is not demanding", Shattuc notes, "But, it does require work and time upon a coin club for which it may receive an unrestricted grant of \$100.00".

Coin clubs are advised that this Program is restricted to clubs

within the northern California area and to those coin clubs that belong or join both the ANA and NCNA. Coin clubs in the region of northern California are encouraged to contact Dan Shattuc by April 1st, if their club intends to participate or if additional information is needed.

Assisting Dan Shattuc with this Enticement Program are two long-time northern California hobby activists, Stan Turrini, with Publicity, and Edward Sins, with Finances.

Northern California coin clubs are welcomed to contact: "Dan Shattuc, NCNA Enticement Program, PO Box 70866, Sunnyvale, California, 94086" or "Stan Turrini, NCNA, PO Box 4104, Vallejo, California, 94590".
